What you need to know about data

A few important details are set out below about your data. You can find full details of how your data will be processed in our [Privacy policy](#) and [Cookie policy](#), which you should read before entering your data. We may use your data for marketing and you will be given an opportunity to decide whether you wish to receive marketing from us.

Some insurance providers may also use data that they already hold on you (for example, data from existing products, loyalty scheme data or transactional data) in order to assess and rate your cover and determine your premium.
