✔ The XYplorer Lifetime License Professional entitles **one person** to use the full version of XYplorer on **any number of devices** for an **unlimited time**.

✔ The license covers both the **32-bit** and (upcoming) **64-bit** versions of XYplorer.

✔ The license **never expires** and includes **free version upgrades forever**.

✔ For 18 or more users / seats a **Mini Site License** is the most economical choice. If you have more than 50 concurrent users/seats please request a quote for a **Site License** (or Terminal Server License) via email. We will get in touch with you shortly.

✔ Payments are processed securely by **FastSpring** (Santa Barbara, California). As soon as the payment has been made, you will receive your personal license key by email, usually within a few seconds. This email will also contain a link to your invoice.

✔ It's a **one-time payment**, not a subscription.

✔ See the full License Agreement for more details.
